DEPUTY CLERKCLERK'S TAXATION OF COSTS

March 28, 2002

The plaintiff has filed a verified bill of costs in the amount of \$988.35. No objections have been filed.

When a bill of costs is properly verified, Local Rule 54.4(10) requires "the opposing party to establish that a claim is incorrectly stated, unnecessary or unreasonable." In all events, however, the prevailing party must first "establish to the court's satisfaction that the particular costs for which reimbursement is claimed are authorized by statute." Green Construction Co. v. Kansas Power & Light Co., 153 F.R.D. 670, 675 (D.Kan. 1994). As no objections have been filed, the bill of costs will be approved to the extent that it reflects reimbursable expenditures authorized by appropriate cost-shifting statutes and the Local Rules of Court.
